What was the faucet?  
The novel's very careful in remaining vague in terms of what Vita is dealing with?

# there's nothing wrong with her

I had a very strong vision of the idea of The Pit

what's the despair and what's the illness...

It's a very 3-dimensional problem

Centuries of women being misdiagnosed

Your body logs your wounds, but...

I set up characters in a landscape

Are you a plotter or a plunger?

The greatest of all love

# KATE WEINBERG

I found the male characters hard to write

"Are you feeling BETTER" or "fatigue"

About what happens when life is put on hold

# KILEY REID

What's your favourite Whitney Houston song?

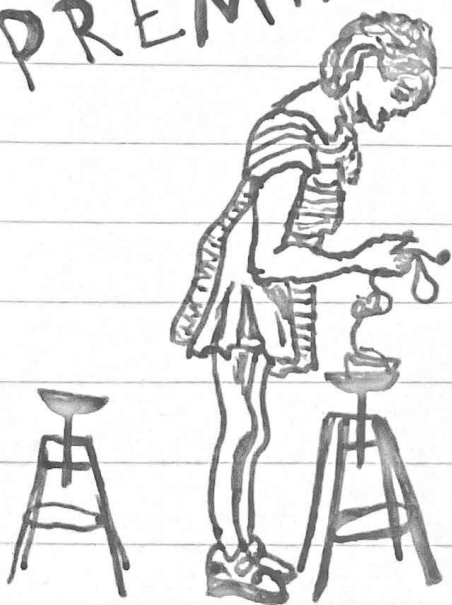

What's the worst thing to ask a chronically ill person?

I'm a big fan of trapping characters!
